- **You can reserve your [add-on tours](#)**, packages or weddings when you book your room on-line after you proceed with your lodging dates & room choice, then use the menu tab to select your air-, land-, sea-based, & wedding activities. When received, we will coordinate times/dates of the tours according to the best schedule and available space and reconfirm the exact itinerary, and have your vouchers and maps awaiting your arrival.
- **Trip planning tips:** In summer, plan at least 10 to 20 days in Juneau, the Sightseeing, Wildlife Viewing and Adventure Capital of Alaska. Juneau is one of the few places in the world that is an exotic, yet domestic, complete sightseeing and adventure destination, with hundreds of things to do, all within 15 minutes of wherever you are in Juneau. And Pearson's Pond is in the center of the recreation area. With 21 hours of daylight at solstice in mid-summer, you can do a tour each day and still have time for other activities.
- **Like Alaska, Juneau is huge.** Geographically, it is the largest borough in North America. We find most guests expectations are best fulfilled on a 1 to 3 week trip, (most inn guests

stay 12 days on average. Plan on at least two tours each via air, land, & sea (6 tours) and take extra time to dink around independently on the hundreds of trails, islands, shops, museums, tram and other attractions.

- **Price is U.S. Dollars**, 99% are for 2008, CALL if no price on list, and few packages are not yet priced, but just give a call and we'll verify. Prices subject to change without prior notice and subject to availability. 17% Tax and optional gratuity are additional. Book early to ensure space, as most activities are sold out several months in advance.
- **Please Note.** Some tours may be subject to fuel surcharges. Weight restrictions apply to some tours (e.g. zip lining). Weights of 250 lbs or more will result in surcharges for most helicopter trips. The surcharges are not included in the noted prices.
